§ 989.257 Final free and reserve percentages.

(a) The final percentages for the respective varietal type(s) of raisins acquired by handlers during the crop year beginning August 1, which shall be free tonnage and reserve tonnage, respectively, are designated as follows:

compensated at a rate of \$46 per ton (natural condition weight at the time of acquisition) for receiving, storing, fumigating, and handling the reserve tonnage raisins, as determined by the final reserve tonnage percentage, acquired during a particular crop year and held by the handler for the account of the Committee during all or any part of the same crop year.

(2) *Inspection.* Each handler shall be reimbursed by the Committee for inspection costs applicable to the reserve tonnage raisins, as determined by the final reserve tonnage percentage, received and held by him for the account of the Committee. Such payment shall be made at the currently applicable rate per ton paid by such handler to the Inspection Service and on the quantity reported by the handler. The Committee shall pay the cost of any inspection required by it of such reserve tonnage raisins while they are being held for its account: *Provided*, That the
